The Bible says that our first priority in prayer is to intercede for the welfare of our community and for those whom God has appointed in government to preserve law and order in society.  
(1 Tim 2:1-2)

Our MP, John Penrose, is not only a constituency MP, but also a Government minister. John will be sharing with us about his new role as a Government Whip and providing prayer pointers to help us to pray for him as he represents Weston and Somerset villages on many important issues.
